REMARKS

The foregoing changes are made pursuant to the provisions of Rule 312 to effect editorial corrections of the claims without introducing any new matter therein. Entry of this amendment is believed to be in order and the same is hereby earnestly solicited.

Specifically, previously presented claims 13-17, which depend from claim 21, are now canceled and replaced with new claims 23-27, which have the same limitations as previously presented claims 13-17 but are now numbered and placed after claim 21. Applicants appreciate the Examiner's suggestion in the Examiner's Amendment to change dependency of claims 13, 15, and 17 from claim 21 to claim 1. However, Applicants believe that the amendments submitted above will place the present application in better format.

Any fees or charges required at this time in connection with the application may be charged to our Patent and Trademark Office Deposit Account No. 03-2412.

Respectfully submitted,
COHEN PONTANI LIEBERMAN & PAVANE LLP
